Dear Arkansas, Missouri and Oklahoma Colleagues:

Preparations for the Joint Arkansas and Missouri Fall Conference are almost complete. We are pleased that our Oklahoma colleagues will be joining us to gauge their interest in future partnership of this joint conference.

Our speakers for the Fall 2007 program are without a doubt leaders in their respective fields. You will find our speakers this year to be innovative and pioneering individuals who are thoughtful and eager to share their experience with us.

As in the past we welcome families! Big Cedar Lodge is a family-oriented conference center/resort. Spouses, significant others, and children are all welcome at our evening events, as our vendors and their families. There are ample activities throughout the day for children and spouses to experience the wonderful outdoors of Big Cedar Lodge, from hiking, horse-back riding, fishing, to driving the short distance into Branson for arcades, shows, and shopping! Best of all --- we tailor our scientific program to allow you time to spend with your family in this beautiful and relaxing setting.

The preliminary program is listed on the reverse side of this page, along with the required Accreditation and Disclosure Policies. Also included in this mailing is a copy of the meeting registration form. This year we are requiring a nonrefundable \$50 registration fee for members in good standing; members who are behind in their dues or individuals who are not members of the Arkansas or Missouri Societies will be required to pay \$100 registration fee (nonrefundable). Resigtration fees for residents, students and fellows is waived.

Reservations for lodging at Big Cedar Lodge must be made separately through the Lodge. A reservation form is enclosed, as well as a price list of various accommodations. Please use our group number #60C5RU to obtain our reduced rates.

We will have these forms and much more information with links to various activities on our website shortly - please check often at www.msohns.org for current information.

We look forward to seeing you there!

*The Arkansas & Missouri
Organizing Committees*
